Families and Carers Groups

Groups for all parents and carers of young trans, non-binary or gender questioning people. They are safe spaces where practical information is exchanged and empathetic support given.
Email families@genderedintelligence.

London - Islington

Last Saturday monthly, 1-4pm

Online

Third Thursday monthly 8-9.30pm

Whether in London, Leeds or online, our spaces give young trans people the opportunity to get together. Each group starts with an (optional) opening circle in which everyone gets to introduce themselves with their name and pronouns. Across the year our experienced youth workers will prepare sessions based on different themes, including Pride, self-care and games. You can join in discussions, share your own experiences, make new friends or just have fun and play some games together. You get to choose what you want to do in the group, and your youth workers will be there to support you to make the group work for you and your needs.

Transitions

A space to talk about and explore medical and social transitions. We know there is no one-way to be trans and no one-size-fits-all transition. This is a space to hear experiences, share your own and ask questions.

Transfem

A space to connect, build friendships, play games, share experiences and have a laugh. The group is aimed at young trans women, trans girls, and non-binary people who were registered male at birth. There is no right way to be transfeminine and we proudly welcome people with a variety of different gender expressions, and people at different points of their trans journeys.

TPOCalypse

Our trans POC groups are a space for joy, sharing, getting creative and feeling inspired! We understand trans and non-binary people of colour can experience additional barriers and stigma, even within the trans community. We want to be mindful of the impact of things like colourism within our space. We invite all people who identify as a Black and/ or POC.

Swimming

Sessions are run by trans and nonbinary youth workers. We welcome you to wear whatever swimwear makes you feel comfortable. Any questions / concerns, please speak to a youth worker.

Community Saturdays

Community Saturdays (Leeds and London) provide space for young trans people and their siblings, as well as parents and carers (in a separate space) to come together. Across the year we run a wide range of different events, from a Community Picnic and a Halloween Party to panels with trans adults and clothes swaps.

Nature Connections

An online space for us to slow down as a community and connect with the world around us. We share animal facts, contemplate natural structures, share poetry, watch videos, and discuss our latest nature findings.

The group has a calm atmosphere and is a nice way to chill out.

Events, Residentials & Camp

Our residentials, trips and summer camp happen alongside the monthly groups. They are great opportunities to spend more in-person time with other trans and nonbinary young people, as well as visit some amazing places and trial fun activities. They are all free of charge and travel bursaries are available.

One-to-one Support

Our experienced youth work team offer 1-1 support to young people who are struggling with specific issues. The general goal of this support is to help individuals build confidence and resilience, so that they can access our groups and trips where they can find additional support, community and friendship. If you would like to chat with a youth worker with similar identities/experiences (EG transfeminine, trans person of colour, etc.), let us know when you email youthwork@genderedintelligence.co.uk.
